

Interview Request- Jerry Begly, author/illustrator of "Dad, the Tooth Fairy Didn't Come!"

Dear Roger :

Get ready for an offbeat newspaper guest who will have your audience's sides splitting:

"Tooth Fairy Malfunction" is ravaging America, yet no one speaks openly about it. It's kept even more hush among families than "Dad actually paid money to go to a Barry Manilow concert."

In my new book "Dad, the Tooth Fairy Didn't Come!" the wacky world of miscreant parents, flopping teeth, horrified kids, and tie-on Tooth Fairy wings stacks absurdity on top of absurdity. What happens when the money doesn't arrive sends the growing family into a tailspin. The treatment of Tooth Fairies is not a pretty sight.

"...wildly funny..."

Linda Slaybaugh, Basalt Regional Library Children's Librarian

"I've read it to my daughter about 18 times already."

Jenny McAurthur, Aspen Skiing Company Children's Supervisor

"May I have 6 more copies..."

Barbara Hines, Artist, London UK

If you'd like a newspaper interview with someone who's an expert at "Tooth Fairy Malfunction", and has a wild sense of humor, first check out samples of my book

"Dad, the Tooth Fairy Didn't Come!" online:

[http://www.jerrybegly.com/tooth\\_book\\_sample/](http://www.jerrybegly.com/tooth_book_sample/)

Then, you can check out my radio interviews at:

<http://www.jerrybegly.com/radio/>

Third: For some really fast, wild reading, email me at:

[coloradocartoons@yahoo.com](mailto:coloradocartoons@yahoo.com)

and I'll send you a free copy of my book which you can hide under your pillow.

Crank your speakers and enjoy "The Pickle Song" while looking at the samples:

[http://www.jerrybegly.com/tooth\\_book\\_sample/](http://www.jerrybegly.com/tooth_book_sample/) .

' Looking forward to hearing from you soon, but right now I have to go "walk the plank".

Cheers,

Jerry Begly  
Author/Illustrator
